

**D-SPACE – INNOVATIVE & CREATION IN JEWELLERY DESIGN**

**DIAMOND HALL**

**NOBAHAR DESIGN MILANO (MILAN – ITALY)**

Sogand Nobahar is a designer, maker, researcher and jewelry engineer. She's the founder of Nobahar Design Milano.

Her motto, "As Unconventional As It Is", is the perfect definition for her works: a Mix & Match that combines tradition and innovation.

**FINNY'S DESIGN (TERNI AND VERONA - ITALY)**

Alessandra Vitali created this contemporary fashion jewelry's brand about four years ago utilizing alternative materials. Her objective is to mix industrial products (pipes in copper or brass, nuts and hydraulic couplings, steel mesh, neoprene, inner tubes) with hard stones, resins and fabrics. The result is a bijou destined for a woman that wants to amaze and experiment. The collections are handcrafted and made in Italy, composed of unique pieces.

**MAUBY&WOOD (BOLOGNA - ITALY)**

Mauro Sarti, motivated by his love for handcrafted objects and the curiosity for wood's manufacturing, founded this brand in 2007.

In his studio he works with different kind of woods, coming from every corner of the Earth, combining them with rare and exotic essences, resins, light metals and other materials. Tops, jewels, small decorations, accessories for men and the house. Each one of his creations is precious and unique, completely handmade.

His motto is "Become what you are".

**CHIARA PRA (VENICE)**

A team of doc venetians that creates collections with an essential and linear look, rings, earrings and necklaces in silver or gold 18kt, yellow, white or pink, with natural gems. Every piece is unique and handcrafted in Venice.
