AT PALAKISS THERE WINTER, THE FIRST EVENT OF THE YEAR WHERE GOLD-SILVER MAKERS COMPANIES CAN SELL CASH&CARRY

From 17th to 22nd January, Palakiss opens to Italian and foreign buyers of the industry (Via dell'Oreficeria, 31 - Vicenza)

Vicenza, January 17, 2020 – Starting today January 17th, the winter edition of the national jewellery show of Palakiss, the cash & carry for gold and silver in Vicenza, where companies have the opportunity to sell immediately.

The spotlight will therefore be focused for six days on the new silver and gold collections of companies from the main jewellery districts, Arezzo, Vicenza, Valenza, Torre del Greco, but also from abroad, Poland, Spain, Portugal, Czech Republic, Turkey, Hong Kong and Thailand.

Industry operators, buyers, wholesalers, retailers, import exports, chain stores and designers are expected at Palakiss, in particular from Europe, the USA, Japan, China, Israel, North Africa and India.

A stage also for those who create and for those looking for alternative proposals in the world of precious accessories, thanks to the new edition of "D-Space", an experimental section designed by Palakiss to bring the b2b world closer to the world of contemporary jewellery. The protagonists will be Italian and international designers who will present fashion jewels made of silver, gold, precious and semiprecious stones, alternative materials. Finny's Design, Spira Mirabilis Gioielli, Debra Gioielli, Mauby & Wood, X-Decem Venice and for the first time at Palakiss Winter there will be "JewelryAround", the innovative virtual showcase for young Persian contemporary artists and designers.

The twentieth anniversary of Palakiss was the inspiration for the creation of a special edition of Vicenza Jewellery (the magazine distributed in the main Italian and foreign trade fairs and in locations such as museums, showrooms, shops and luxury hotels), the protagonists are the exhibiting companies present at the salons since their foundation in 1999.

And also this year Palakiss will be partner of VIOFF Golden Factor, the outside fair of Vicenzaoro, a project by Meneghini & Associati, born from the collaboration between the Municipality of Vicenza and IEG - Italian Exhibition Group, scheduled in the heart of Vicenza from today to Sunday, January 19.

Palakiss is open for sector operators, from 17 to 22 January 2019 from 9.00 to 19.30, while Wednesday 22 January, the last day of the event, from 9.00 to 13.00.

Palakiss Spa

Palakiss organizes 4 trade fairs, in WINTER in January, SPRING (9 -11 May 2020), SUMMER (5-9 September 2020), to which is added the exclusive appointment called Natale Oro / FALL (9 -11 November 2020) dedicated to purchases during the Christmas holidays.

Palakiss, which currently has about 18 thousand operators a year and about 100 exhibiting companies, is a business tool for small and medium-sized enterprises, as well as a springboard for the local and national economy of the sector with an eye always turned to the public, to Italian and international retailers and retailers.

The Vicenza business center - with its 5,000 square meters, operational 365 days a year, structured, flexible and functional - is ready to welcome and respond to the most diverse needs of companies in the industry.
